A Little Flavor of the South

Way back in 1935, L.C. Priester had a simple dream for his roadside store - sell a few bags of pecans and some refreshments to travelers passing by on the main highway. It worked, and pretty soon people from Mobile to Montgomery were talking about Priester's "little flavor of the South". Today, we remain a small family run business and we work hard to please every single customer we meet. All our pecans, sweet pecan candies and pecan gifts are made fresh from the cream of the crop and delivered in perfect condition. It's the way L.C. would have wanted it.

The Advantages of Priester's Fundraising Program are:

- ✓ **Pecans are Affordable** to the Consumer and Profitable to the Fundraiser
